

### **Description of Committees**

**Stewardship Committee:** Responsible for administrative functions associated with stewardship such as data-entry, mailings, writing newsletter articles.

**Events Committee:** This committee plans community events such as Community Nights, Lazarus Saturday Pancake Breakfast, and New Years Eve party.

**Building for the Future Committee:** This committee will design and implement plans as well as raise funds for major projects.

**Welcome Committee:** This committee provides a welcoming environment for visitors and new members to our church. Some responsibilities include talking with newcomers, answering questions about Orthodoxy and Sts. Peter and Paul, escorting to fellowship hour, ushering during Divine Liturgy.

**Service Committee:** This committee plans group volunteer opportunities outside of church. This could include such things as a day at Habitat for Humanity, visiting senior centers, working at the homeless shelter or soup kitchens.

**Other Opportunities:** There are endless ways to share your time and talents. Please feel free to suggest another way you are willing to help using the “Other” category in the Time and Talents section of the previous page.

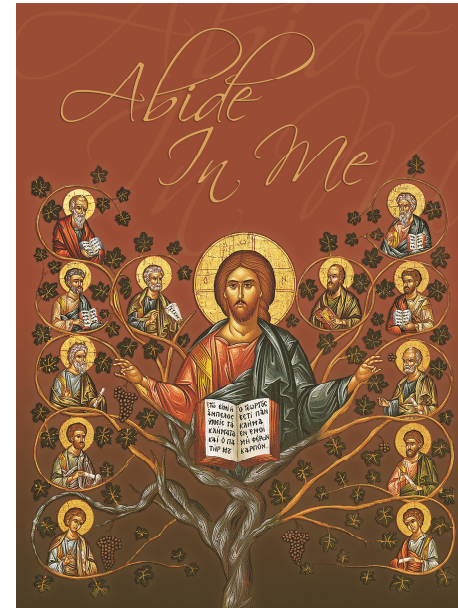

### **Building for the Future Campaign**

In addition to pledging funds to support the operations of the Church, you may also pledge monies to go toward capital expenses. The four main capital projects identified thus far are:

- + Principal reduction of the mortgage
- + Iconography
- + Purchase of additional land
- + Construction of a new fellowship hall

## **Abide in Me** **Stewardship 2012**

### **Saints Peter and Paul** **Greek Orthodox Church**

### **We Are Called to Bear Fruit**

**“By this My Father is glorified, that you bear much fruit...” (John 15:8). Just as the vine bears fruit only through its branches, so Jesus has chosen to work in the world through us. We are the branches through which the True Vine must bear fruit. We bear fruit when we serve and support God and His Church.**
